**Transform just about any TV or smart device into an on-demand video service designed for older adults**

TV

Tablet

Smartphone

Computer

### INDIVIDUAL ROOM

Individuals can participate from their room or home environment.

### COMMON ROOM

Residents enjoy live and recorded social programming in common spaces via simple TV setup.

### ON THE GO

Older adults, family and caregivers can connect, share, laugh, create, sing and dance via smartphone, tablet or laptop.

*"At a time when many older adults felt isolated during the pandemic, Baycrest@Home delivered innovative programs that helped keep residents happy, safe and feeling vital. Through Baycrest@Home we've added a trusted partner with first-rate programs to enhance our regular slate of resident activities on an ongoing basis."*
