# FOUR SIMPLE STEPS TO THE RIGHT CARE

Choosing a care provider is one of the most important decisions a family makes. **We can start care as early as the next day.\***

## 1. FREE CONSULTATION

Call or submit a form. A senior care coordinator will speak with you within 24 hours to understand your situation and what kind of support you're looking for.

## 2. IN-HOME ASSESSMENT

We visit at home, assess physical, emotional, and social needs, and discuss schedule preferences and care goals to build the right picture.

## 3. CARE PARTNER MATCH

Using our precision matching process, we identify two or three Care Partners who fit the client's needs, personality, and preferences.

## 4. CARE BEGINS

Your Care Partner starts. We conduct a check-in in the first week and continue regular quality reviews to ensure everything is working as it should.
