SERVICES OFFERED

Personal Support Worker

Our personal support workers are all certified from recognized educational institutions and are professionally trained to provide care. They have successfully passed security clearance and our testing procedures. Infinite Care provide palliative care services.

Home Care Worker

Our home care workers are assessed through the same rigorous testing protocol as the Personal Support Workers. They are there to perform various tasks around the house as underlined in the care plan.

Physiotherapy (PTA)/Personal Trainer

Our personal trainers will help you get in shape or maintain your physical abilities. The result being fewer body aches, stronger, increased balance and mobility.

Computer Teacher

Our computer teachers can help introduce you to modern technology or advance the skills you already have. Microsoft Word, Excel, Power Point, Email, Internet Browsing, Facebook Account, Tweeter Account, LinkedIn, Google, etc.

Personal Driver

Our personal driver is a driver companion. A regular, reliable personal driver who is willing to help in every way possible to assist with doctor's appointments, shopping, bank, etc.

Downsizing/Real Estate Service

Call for a free consultation with an experienced licenced realtor specialized in senior care services that can show you options.
